**SEA BREEZE**

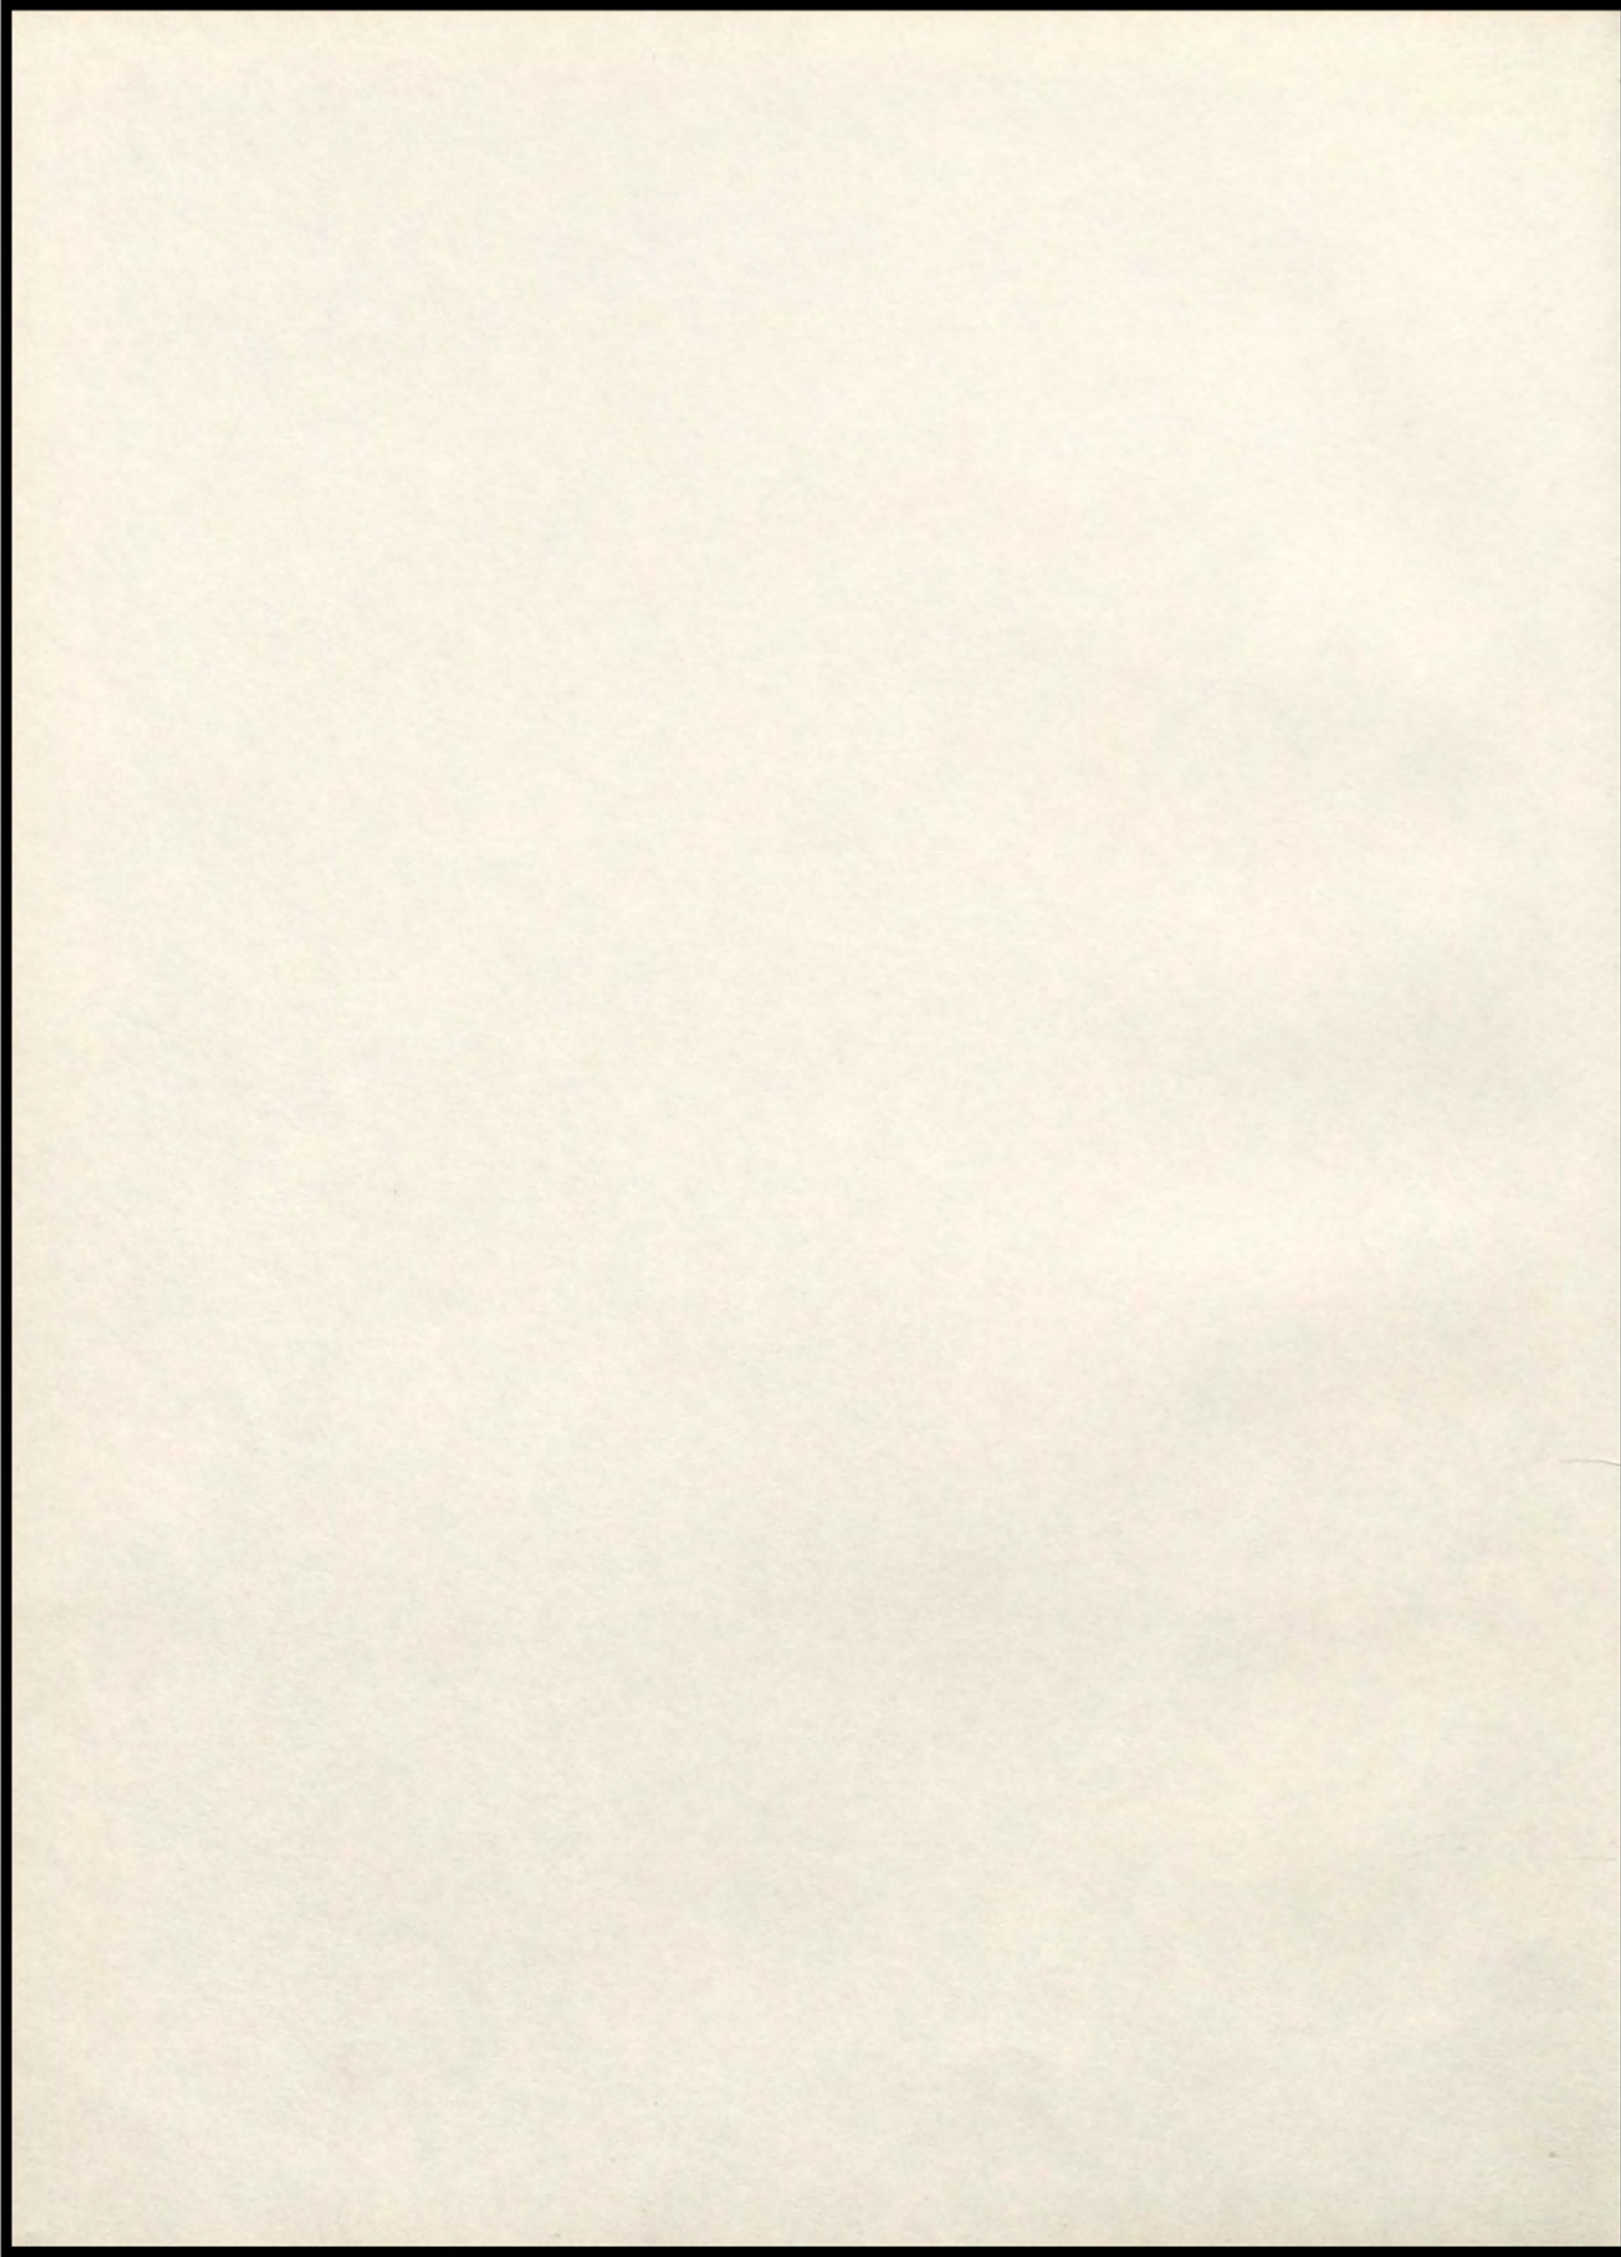

# The Seabreeze

With the passage of years, you may look back upon this year as the time when darkness of ignorance suddenly became bright with the gleam of knowledge.

To preserve a record of these moments and the countless other experiences of you and your classmates, this annual strives to capture the "eyes" and "mind" of the scholarship, the leadership, and the activities of Seaside Union High School.

## *“Student Body President”*

It has been a wonderful and unforgettable experience serving as Student Body President during the past year.

I fully appreciate the co-operation I received from the administration and especially the students. Without the confidence and help of the student council members this year would not have been as rewarding.

I shall always cherish the friends I made at S. U. S., and to them I extend my best wishes, and thanks for giving me the privilege of serving as their Student Body President.

Sincerely,

Bob Nimmo

# *"All the Way From France"*

D'autres étudiants AFS ont probablement dit cela avant moi, mais je ne peux pas être plus sincère quand je dis que cette année a été merveilleuse pour moi. Pour cela je remercie l'administration, les professeurs, mais surtout les élèves. Ils m'ont accueilli et m'ont donné leur amitié avec une spontanéité que je n'espérais pas. De mon côté, j'avais une mission à accomplir: représenter mon pays. Si je l'ai bien fait, je sens très heureuse. C'est la seule chose que je peux donner en échange de votre hospitalité. J'espère tout vous revoir en France ou ici.

Amicalement voire  
"Jeanny"

Other AFS students have probably said this before, but I can't be more sincere when I say that this year was marvelous for me. For this I thank the administration, the faculty but above all the pupils. They welcomed me and gave me their friendship with a spontaneity I didn't hope for.

I had a mission to accomplish: to represent my country. If I did it well, I would be happy, for it is the only thing I can give for your hospitality.

I hope to see all of you in France or here someday.

Yours friendly,

Seated, Ross Bailey, President. R. to L. Terry Grant, Vice-president; Holly Bracher, Secretary; Susan Mooney, Treasurer; Judy Zankich, Teresa Kindal, Co-Historians; Ken Toole, Representative; Marcus Wright, Gregg Pollock, Sgts. -at-Arms.

Our senior year started off with excitement and anticipation of what was to happen during our last year at S. U. H. S. We began by choosing as our leaders Ross Bailey president, Terry Grant vice president, Holly Bracher secretary, Susan Mooney treasurer, Greg Pollock and Marcus Wright sgt. -at-arms, and Judy Zankich and Teresa Kindel as historians.

We were well represented at both the talent show and the One Act Play contest. We acquired a long awaited lunch line, and demonstrated our class spirit at the many pep assemblies. We sponsored the Senior Carnival and were co-organizers of the Junior-Senior Prom. Both were huge successes.

We presented the school with a school seal and won scholarships totaling \$34,115.

Fittings for caps and gowns, trading cards, and marching practice were all a part of getting ready for Graduation. Baccalaureate was held June 6 in the cafetorium with the Senior Tea following. Monday morning, June 7 the Senior Breakfast was held at the Seaside. With less than 7 hours left before graduation we had our last marching practice. Finally the clock struck eight and 115 excited seniors marched to receive their diplomas thus ending their days at S. U. H. S.

The Class of '66 selected as our officers Syd Jones president, Bob Smits vice president, Myra Furnish secretary, Steve Phillips treasurer, Jim Cole and Rick Lucas Sgt. -at-Arms, and Gary Hansen, representative.

We were in charge of the AFS Drive this year. This drive is to help raise money to sponsor a foreign exchange student. We sold shares and had a AFS spaghetti feed.

Later in the year we sponsored a "Roaring Twenties Dance" as a money raising project. We also sold "Seaside" booster license plates.

For the annual Junior Class Play, we put on "Books and Crooks", a comedy in a high school setting. It was a huge success. Also this year we decided to incorporate the Junior Prom and the Senior Ball into one Junior-Senior Prom. It was the best dance in the history of the school, with ninety-eight couples in attendance.

As the year drew to a close we realized that next year we would be the seniors getting ready to graduate. We would be the leaders of the school and that our next year would be what we made it.

In the fall the Freshman class sponsored a "Thank You Sophomore" dance to show our thanks for the "Welcome Frosh" dance. We also had a magazine sale which brought in about two hundred dollars. We held cooked food sales and cookie sales to help raise money.

Being new in high school it was a big thrill when we won the victory bell at the Clatskanie pep assembly and again at the Warrenton pep assembly.

We participated in the One Act Play contest with the comedy "Beat it, Beatnick".

Although it was our first year in high school we believe that it was a very successful one, and look forward to next year.

# Student Council

This past year the Student Council has attempted to expand the scope of its functions into as many facets of student activities as is possible. Shortly before school was dismissed for the summer of 1964, we decided to donate three hundred dollars to the High School in Valdez, Alaska, to help them recover from the recent earthquake. We sponsored a new student mixer and formed a Budget Committee.

Knowing that good school spirit leads to pride in one's school, we held several pep dances and sponsored the annual Homecoming Bonfire. The Student Council also held a "Toys for Tots" drive and a Christmas door decorating contest.

To help improve our school, we adopted a new policy that we feel is quite successful for the lunch lines. Also, a suggestion box was placed in the main hall for the benefit of the students.

In the spring we sponsored a most successful Hootenanny. We also secured a long-sought jukebox.

Understanding that one of the main functions of the Student Council is to promote learning and participation in school activities, we initiated a program of selecting a "student of the week".

I feel that the Student Council members did a superb job and can look back with pride at the past year.

# Thespians

The aims of the National Thespian Society are to establish and promote standards of excellence in the Dramatic arts, and to create an active and intelligent interest in Drama among students of the secondary schools.

Thespians is an honorary organization, in that students are given recognition for having met certain standards and requirements. But members are obligated to perform their bests, knowing that additional honor comes to those who accept greater responsibilities and learn co-operation. Thus, the Thespian motto, "Act well your part; there the honor lies."

Thespian activities include participation in school plays, as well as sponsorship of the annual one act play contest between classes.

It consists of tumbling, modern dance, exercises, weight lifting, and this year there was a game of crab ball. The money earned from this goes toward different projects sponsored by the club. This year it goes to buy new travel bags for the basketball and football teams. Last year it went to buy weight training equipment.

## *Football*

The 1964-65 Football team had a good yet disappointing season as felt by the coaches, the players, and the spectators.

The Gulls switched to a new offense this year. They switched to an "I" formation which is more of a power offense, shooting at the middle of the line for short yardage.

The seasons record was 6 wins and 3 losses. The Seagulls placed 1 man, Jack Kerwin on the 5th team All State. Jack also made all league along with Ron Sopko and Jan Herron. The team and coaches are looking forward to a successful season next year.

## "Basketball"

The 1964-65 Seagull Basketball team ended up on the winning end of a 12 win 11 loss season and a third place in the Cowapa League.

Although the Gulls did not have as good a season as in the past, Coach Tom House was pleased with the overall outcome.

After getting off to a slow start the Gulls began gaining momentum and carried it all through the season to the league play-offs at David Douglas High School in Portland.

The Gulls lost only four Seniors this year, so things are looking up for a good season next year.

Coach Clarry was pleased with the season as a whole and is looking forward to an even better season next year. The whole team with the exception of Cleve Benson and Terry Grant will be back next year.

This year the Gulls picked Terry Grant as the "Most Inspirational Player" and Cleve Benson as "Honorary Captain".

Cleve Benson was picked to pitch for the "All State" team in their game against the "All Metro" squad. He is one of five players given this honor. Cleve was also given a partial scholarship to Oregon State University for his baseball achievement.

On a whole the season was a very successful one with only two losses, one with Astoria in a practice game and one with Yamhill Carlton in the quarter finals.

Team get ready to play another great game.

## Track

The Gull Thinclads under the direction of Coach Neal Maine and Jerry Westerholm brought their 1965 season to a close with the successful defending of the Subdistrict title, and a third place in the District meet held at the University of Portland.

The Gulls had several highlights to their season, one coming when they placed fifth at the Central Relays in a field of 26 other schools.

The Gulls had a neck and neck battle with Jesuit High School in Portland for first place in the Lower Columbia Relays but lost by 4 1/2 points and settled for second place. The Gulls mile relay team set a new meet record in this meet with a time of 3:33.3 seconds.

The Gulls then started preparing themselves for the Sub-District meet to be held at Neah-kah-nie. The Gulls again defended their title by beating out Neah-kah-nie, Vernonia, Banks, and Warrenton. Coach Maine's thinclads qualified twenty men for the State track meet in Corvallis.

The Gull 880 relay team tied the school record and place seventh in the State with a time of 1:33.4.

The Gulls had a great deal of competition this year, but despite several setbacks they came right back to bring home a lot of ribbons.

Track men pay close attention as coach Maine shows how to do it right.

Big Ed uses his brute strength as he hurls the shot.

Jack Kerwin flashes across the finish line as Coach Johnson times his run.

Bob Smits spreads his wings and practically flies across the high hurdles.

Jim Hoffman crosses the finish line first to take first in his heat.

Coach Maine shows Kerwin and Bergeson the correct way to hand-off.
